

Webinar Invitation

New energy labelling regulation for smartphones and slate tablets: Become familiar with the new requirements

A webinar for smartphones and slate tablets dealers

A new energy labelling regulation for smartphones and tablets will apply from the 20th of June 2025, among others resulting in the need to place energy labels on new products. What exactly are the new requirements about? When will you have to take action?

We invite you to the upcoming webinar to learn more and to ask for more details!

Date

**11 June 2025 at 9:00 am CEST
online** (Duration: 1 hour, MS Teams)
