

Webinar Invitation

New ecodesign and energy labelling regulations for smartphones and slate tablets:
Become familiar with the new requirements
A webinar for smartphones and slate tablets suppliers

Ecodesign requirements apply to smartphones, mobile phones, cordless phones, and slate tablets placed on the EU market from the 20th of June 2025 onwards. Energy labelling requirements also take effect on the same date, but only for smartphones and slate tablets.

This webinar is aimed at suppliers and will provide participants with a clear overview of the requirements, including clarification of any potentially grey areas.

We invite you to the upcoming webinar to learn more and to ask for more details!
